Electrical Safety Recall

ALDI Stores

DOUBLE USB POWERPOINT

Brand name: WORKZONE

Product Code: 708521

Sold from 27 May 2023 to 4 August 2023

Identification:

DOUBLE USB POWERPOINT with the following model numbers and batch numbers:

- Model numbers: RPOD10U-AA or RPOD10U-AC
- Batch numbers: 05/2023 or 07/2023

The Model and Batch number can be found by removing the faceplate of the powerpoint.

Instructions for removing the faceplate of the powerpoint can be found [here](#).

Why the product is recalled: The powerpoint does not comply with the relevant electrical safety standards due to unreliable contacts in the powerpoint.

Hazard: There is a risk of serious injury or death from fire or electrocution.

Action required:

Consumers should immediately switch off the powerpoint and stop using it.

Do not attempt to remove or replace the powerpoint yourself. This must be done by a licenced electrician.

- If the powerpoint has already been installed, use the dedicated [webform link](#) to arrange for a free replacement installed by a licenced electrician.
- If the powerpoint has not been installed, consumers should return the product to any ALDI store for a full refund.

For further information:
